Dear Sirs,

HLANGANANI GARDENS, COSMO CITY:PROJECT MANAGEMENT SERVICES

Profica was appointed by the Johannesburg Housing Company as project managers for our residential apartment development in Cosmo City, Hlanganani Gardens.

Chad Dunkley (with assistance from Bafana and later Evelyn) led the team from day one and managed the challenges in a way that ensured that the job gets done. I think they understood our requirements and way of working quite well even though it was our first project with them.

We were very satisfied with the service we received from Profica and value the contribution they made to successfully completing this development. I would have no hesitation in recommending them.

Kind Regards
